

**UNITED STATES OF AMERICA
DEPARTMENT OF
TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.**

Issued by the Department of Transportation
on the 18th day of November, 1997

In the matter of the revocation of the interstate
certificate issued to

JETTRAIN CORPORATION

in accordance with section 204.7 of the
Department's Regulations

Docket OST-95-539

ORDER REVOKING CERTIFICATE

Section 204.7 of the Department's Aviation Economic Regulations (14 CFR 204.7) provides, among other things, that the authority of any air carrier holding a certificate shall be revoked if the carrier has not operated for a one-year period under any authority for which it was found "fit, willing, and able."

JetTrain Corporation holds certificate authority under 49 U.S.C. 41102 to engage in interstate scheduled air transportation of persons, property, and mail.¹ The company conducted operations under its certificate authority until on or about November 12, 1996, when it ceased all operations. As a result of the cessation, in accordance with section 204.7 of our rules, JetTrain's authority was automatically suspended.²

By letter dated August 6, 1997, we reminded JetTrain of the dormancy provisions of section 204.7 of our rules, and stated that, in accordance with the rule, we would revoke its certificate authority for dormancy unless before November 12, 1997, we had received

¹ See Order 96-2-10.

² The company was notified of this suspension by letter dated November 18, 1996. On March 6, 1997, JetTrain filed an application in Docket OST-97-2185 requesting that the Department allow it to recommence operations. The company later withdrew this request and, as a result, by Order 97-4-21, served April 25, 1997, we dismissed its application without prejudice to the company.

notification of the carrier's intent to have its fitness redetermined and to resume operations.

Since that time, however, we have heard nothing from JetTrain indicating any desire to resume operations, nor has the company filed any of the information required to have its fitness redetermined.

Therefore, under these circumstances and in accordance with section 204.7 of our rules, we will revoke the interstate scheduled certificate issued to JetTrain by Order 96-2-10.

ACCORDINGLY, Acting under authority assigned by the Department in its regulations, 14 CFR 385.12:

1. We revoke the certificate of public convenience and necessity issued by Order 96-2-10 to JetTrain Corporation authorizing it to conduct interstate scheduled air transportation.³
2. We will serve a copy of this order on the persons listed in Attachment A.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.30, may file their petitions within 10 days of the service date of this order.

This order shall be effective and become the final action of the Department of Transportation upon the expiration of the above period unless within such period a petition for review is filed or the Department gives notice that it will review this order on its own motion.
